

MESSAGE FROM THE GRAND KNIGHT

Fellow Knights,

I would like to congratulate all the newly elected officers for the new fraternal year. Stan Hruska installed our newly elected officers on July 25. We had a great turnout for the **Officer's Installation ceremony**.

I would like to thank all my Brother Knights for your vote of confidence in electing me as your new Grand Knight. My plan is to do as good a job as my predecessors' and to make my brother knights proud.

On behalf of the Brother Knights we would like to send out our congratulations to this year's Council **Scholarship winners**, Jakob Barcak (son of Brother Michael, wife Tia) and Maryssa Redding (daughter of Brother Brent and Wife Patricia) were the recipients of the Council 2801 KC Brezina Memorial Scholarships.

A friendly reminder, if we do not have your email address, you can send your address to us under the **Membership tab** on the website, and then click on Member Update section on the left. Furthermore, physical address changes and phone number changes can be updated or you just want us to contact you, type in a message on our website and submit the form. This will only be submitted to certain officers and to myself.

We would like to thank the Chairmen Brad Hines, Jeff Sulak, Billy Guerrero and Cary Lamensky for their dedication towards the **WING FLING** cook-off event scheduled for **October 14**. The event will include cooking teams, recognizing winners of three different categories. In addition, I would like to thank Andy Sulak for chairing the Wing Fling **sportsman's raffle tickets sales**. **Please contact Andy to get your tickets and sell them ASAP**. Brother Knights we need your help to make this event as successful as possible. Please contact any of the chairman to ask how you can help.

The **Annual Council-Fishing Tournament** is coming up September 22 & 23rd; for more information, contact Brother Jim Franklin. Please consider joining us for this fun event.

The **State KC Golf tournament** is being held in Sealy, Texas on August 25th – 27th; for more info contact Brother Mike Stavinoha. These events are a lot of fun and create great fellowship between brothers. So, set some time up for yourselves and make plans on attending.

Our **weekly Bingo** has been very successful lately; they are a great support to our council. We are in need of Brother Knights to join our Bingo Crews; your support is greatly appreciated. Please call Brother Andy Sulak to find out how you can help.

We have our annual **Holy Rosary Bazaar** - August 27th, please make plans on assisting with this worthwhile event.

Our next meeting will be on **August 22nd** with a meal at **7:00 pm**, Brother Stan Hruska team will be preparing our meal before the meeting. We hope to see everyone at our next meeting and please pray for God's continued guidance for our council members and our families.

Fraternaly yours,
Robert Contreras,
Grand Knight
